your community energy company

Dear Madison Metro Transit,

Please note that payment for your most recent utility bill has not been received by the due date. MGE understands that sometimes a bill can be forgotten or misplaced and that an on-time payment history is important to you.

Please double check to see if payment for your most recent bill was made. If it has not been made, please make your payment promptly, in order to maintain your excellent payment record with MGE. Your ability to pay something now will help avoid further collection action, late payment charges, and disconnection. Your payment can be made by promptly returning the top portion of this letter with your payment for the amount indicated above. You may also make a payment over the phone by calling 1-877-253-0151.

MGE is committed to working with customers experiencing economic hardship. We can set up a personalized payment agreement and discuss financial assistance resources. If you are unable to pay your past due balance or enter into a personalized payment agreement, your account will be removed from budget billing (if applicable). Please contact MGE as soon as possible at 608-252-7144 or 1-800-245-1125 from 7 a.m. and 7 p.m. weekdays, excluding holidays.

If you are a residential customer and you need help paying your bill, Energy Services, Inc. (ESI) may be able to help. You can learn more at energybenefit.wi.gov or by calling them at 1-800-506-5596. Additional resources for assistance can be found at mge.com/resources.

Thank you,
