Summer Storms: The severe storms of summer are a good reminder to sign up for outage alerts on the MyAccount portal on our website. You can receive email, text, or both, notifications when the power goes out at your service address and when service is restored. Updates of an active outage can be monitored on our Facebook page and on the outage map on our website.

2024 Sun Prairie Water Quality Report

DUE DATE

Your current charges are due and payable by the due date shown on this statement. A 3% late payment fee will be applied to bills not paid within 20 days of issuance.

POWER COST ADJUSTMENT CLAUSE (PCA)

The PCA provides monthly adjustment of power costs relative to base rates. This adjustment can be positive or negative, which will increase or decrease your monthly energy costs. This ensures you get charged the actual cost of energy consumed.

CP1 ENERGY LIMITER: \$0.1514 PER KWH

Monthly, the customer shall be billed the lesser of 1) the amount of the Energy Limiter or 2) the amount for the Energy Charge plus the amount of the Demand Charge.

STORM WATER CHARGE

This is a City charge for storm water runoff of the impervious area of your property. Call City of Sun Prairie Engineering at 608-837-3050 if questions.

Cross Connections:

Help avoid contaminating the public water supply by inspecting cross connections and preventing backflow into the water system. Read how you can protect our drinking water supply at:

www.sunprairieutilities.com/backflow-prevention-cross-connection.

SPU Crew and HydroCorp technicians will be inspecting buildings for cross connections as required by the WI DNR. Thank you for your cooperation.
