About Your Bill

Administrative charge (gas) - Covers MGE costs for purchasing and managing gas supplies.

Degree Days (heating season only) - Reflects how cold it was during this billing period. The larger the number, the colder it was.

Distribution service - Covers the costs to operate and maintain our local delivery systems of gas pipes and/or electric wires.

Electricity service - Covers the costs to produce, purchase, and deliver electricity to our local distribution system.

Natural gas service - Covers the cost of gas purchased from our suppliers and the delivery to our local distribution system.

Grid connection and customer service charge (electric) - Covers customer care, such as billing, record-keeping and information services, plus some of the costs of being connected to the local electric grid, such as meters, poles and wires.

State low-income assistance fee - Fee paid to the State of Wisconsin. Used to provide energy efficiency and utility bill payment assistance to low-income customers

System connection and customer service charge (gas) - Covers customer care, such as billing, record-keeping and information services, plus some of the costs of being connected to the local gas delivery system, such as meters, pipes and regulators.
